### 1. American Craft

Published by the American Craft Council, American Craft magazine celebrates the makers whose work enriches our lives, presenting unknown innovators and established masters, bringing new points of view to the craft community. American Craft is a wish book that helps creative people see the world with fresh eyes. Its memorable stories and images inspire readers to craft a conscientious, expressive life they feel good about and celebrates the age-old human impulse to make things by hand.

### 2. The Atlantic

Published since 1857, The Atlantic is one of the nation's oldest and most prestigious monthly magazines covering major issues in politics, foreign affairs, the economy and cultural trends.

### 3. Bloomberg Businessweek

Delivers the business information you need: surprising and timely perspectives on the most important issues of today and unique stories you won't find anywhere else. With Bloomberg Businessweek you'll have the insights you need to take advantage of the new reality and thrive in today's complex global economy.

#### 4. Entrepreneur

The trusted source for growing your business and offers surefire strategies for success. Whether you are thinking of starting a business, have taken the first steps or already own your business, Entrepreneur offers the best advice on every aspect of running your own company.

#### 5. Fast Company

Dedicated to reporting about how the "fast companies", entrepreneurs, and cutting-edge are doing what they do.

#### 6. Forbes

Has a unique voice in its coverage of global business stories. Whether it's reporting on the "next facebook" or scrutinizing a new tax law, Forbes covers stories with uncanny insight and conciseness that hurried business folks appreciate.

#### 7. Foreign Policy

The premier, award-winning magazine of global politics, economics, and ideas. Our mission is to explain how the world works -- in particular, how the process of global integration is reshaping nations, institutions, cultures, and, more fundamentally, our daily lives.

## 8. MIT Technology Review

With a mission to equip its audiences with the intelligence to understand a world shaped by technology.

## 9. National Geographic

The flagship magazine of the National Geographic Society. Each issue takes an adventurous look into cultural exploration as well as social and environmental changes that impact life on Earth. Stories about the people and places of the world are humanized by the emphasis on the symbiotic bond between Earth and its inhabitants.

## 10. National Geographic Traveler

When you get a subscription to National Geographic Traveler magazine, you get amazing articles on traveling throughout the United States, Canada and abroad. Reviews are given by true travel pros. And of course, the photography of each issue will be so breath-taking, you convince yourself that you need to plan that next trip right away.

### 11. National Review

America's leading conservative voice for news and opinion, offers multi-platform solutions to deliver advertising and events to an influential, and highly educated audience of government insiders, corporate leaders, financial sector gurus, and engaged individuals across the country.

### 12. The New Yorker

A national weekly magazine that offers a signature mix of reporting and commentary on politics, foreign affairs, business, technology, popular culture and the arts, along with humor, fiction, poetry and cartoons. Founded in 1925, The New Yorker publishes the best writers of its time and has received more National Magazine Awards than any other magazine, for its groundbreaking reporting, authoritative analysis, and creative inspiration. The New Yorker takes readers beyond the weekly print magazine with the web, mobile, tablet, social media and signature events. The New Yorker is at once a classic and at the leading edge.

### 13. O, The Oprah Magazine

A personal growth guide that will give women the tools they need to explore and reach for their dreams. Aiming to give smart women confidence to express their individual style and to make choices that will lead to a happier more fulfilling life.

#### 14. Popular Mechanics

A publication covering a variety of topics, including home improvement, automotive needs, electronics, computers, telecommunications, outdoors, fitness and science and technology.

#### 15. Popular Science

The "What's New" magazine of modern science and technology. Each issue covers the latest developments in cars, electronics, communications, tools, energy, aviation, science, space exploration, and

much more.

#### 16. Reader's Digest

Offers something unique: the very best advice, information and inspiration from multiple sources, condensed into an easy-to-read digest. In each issue you'll get trusted, time-saving insights about Health, Personal Finance, Work, Family, and National issues, PLUS exclusive book excerpts, news-making interviews, and humor.

#### 17. Rolling Stone

Definitive source for music and pop culture trends. In addition, find culture and social commentary on current news and events.

## 18. TIME

Signature voice and trusted content make it one of the most recognized news brands in the world. Offering incisive reporting, lively writing and world-renowned photography, TIME has been credited with bringing journalism at its best into the fabric of American life. Every issue delivers a deeper understanding of the world we live in.

## 19. Wred

Makes sense of a world in constant transformation. We tell an ongoing adventure story—the invention of the future. The WIRED conversation illuminates how technology is changing every aspect of our lives—from culture to business, science to design. The breakthroughs and innovations that we cover lead to new ways of thinking, new connections, and new industries. We introduce you to the people, companies, and ideas that matter. WIRED reaches more than 30 million people each month through WIRED.com, our tablet edition, the magazine, social media, and live events.

# Online Information Resources
